

## **Welcome to our office**

**We appreciate your selection of our office and staff to serve you and your family's dental needs. We know you will be pleased with the care you and your family receive and hope that you find it to be the best care available.**

**You will find our entire staff works hard to make each visit to our office relaxing and to relieve any uneasiness you may feel about coming to the dentist. We want to make all of you comfortable and therefore offer nitrous oxide (laughing gas) pillows and blankets are available if you choose.**

**We encourage regular scheduled hygiene appointments so that dental disease can be controlled and in most cases prevented, providing you and your family with beautiful, healthy, strong and functional teeth for life. Each persons dental health is unique and individual, so we will be sure to advise you as to your preventative dental care needs and what is the optimum schedule for you and your family.**

**Please take a moment to review our attached payment and office policy information sheet. We appreciate having you and your family as patients in our practice. Please do not hesitate to frankly discuss any questions you have about our services and office policies. We also ask that if you have any suggestions or comments on how we can improve you and your family's visit to let us know.
